POLICE DEPARTMENT REPORT

January 1, 1969 to December 31, 1969

This Dept. logged—674 hours

Mileage covered—3,288 miles

Investigated—227 calls

Accidents—27

Break and Enter Complaints—12

Court Cases—14

Rumney Police Dept. Telephone Number 786-9928

Base Radio—Telephone Number 536-1253. Emergency calls, cruiser contact or ambulance.

A special course which started October 22, 1969 at the Plymouth State College to continue until April, 1970, is being attended twice a week by Chief Young. This course is conducted by the White Mountain Law Enforcement Institute, Grafton County Sheriff's Dept. This course is to cover many fields of Law Enforcement with special emphasis on drug abuse, identification and control. Parents or persons who feel they have or may have a problem, are advised to contact this Dept.

This Dept. requests \$845.00 for purchase of High Frequency radio equipment for more complete coverage. Our Johnson 202 equipment will still be used, but does not have the distance range required outside the immediate area for effective communication, especially for direct contact with State Police or cruisers on the Sheriff's Radio Bands. Federal funds are available to reimburse the town for 40 percent of such an investment.

1969 was a busy year at the library with each season prompting a different activity.

National Library Week was observed in April with an Open House. We were happy to cooperate with the Town Planning Board in featuring "clean-up, paint-up" promotion for their spring contest.

Early summer found the library floors being refinished and the indoor-outdoor carpeting being put down in the front entrance and lobby. The addition of new glass wall cabinets to the New Hampshire Room was also completed.

The Summer Reading Club was "Let's Have a Picnic with Books". Many youngsters took part in this, and the winners were rewarded with a picnic at Baker River Camp Ground. Mrs. Betty Morrill's story hour one morning a week added to our summer program and was a source of real enjoyment to children of all ages.

Mrs. Katherine Grimes of Stinson Lake was very kind and loaned us twenty of her beautiful paintings for an art exhibit in the fall.

It created a great deal of interest and people came from surrounding towns to view them. They were very much enjoyed and greatly appreciated by all.

Winter finds patrons availing themselves of the library resources to make leisure hours more enjoyable.

No report would be complete without noting the thoughtfulness of the 4-H Club—the Mt. Stinson Girls for the gift of the Stereo and \$100 toward the carpeting and the Mt. Stinson Boys and Mt. Stinson Girls' 4-H Clubs for the movie projector and screen.

A popular feature again was the sale of discarded books.

R. C. A. and Columbia again made generous gifts of records which is a pleasure giving item.

The Book Mobile made 4 visits and this feature as well as the reference material through the State Library greatly aided us.

The Trustees and the staff express appreciation to all who have contributed to the success of the library this past year.

We welcome and urge all to come and visit your library.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a. m. and after 5:00 p. m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

REPORT OF THE TRUSTEES OF TRUST FUNDS

As of December 31, 1969

Your Trustees are now administering 189 trust funds. Our income continues to be good and this year we were able to add $5\frac{1}{2}\%$ to each fund under our care. While the cost of care of lots is increasing somewhat, the income is sufficient to cover the costs and most funds are adding something to their balance.

Not all stocks pay the same dividends and we sold some of our holdings and bought others which we expect will pay a better dividend.

In 1969 we received $129\frac{1}{4}$ shares as stock dividends: 63 shares Puritan, value \$741.51; $8\frac{1}{4}$ shares Broad Street, value \$240.80; 37 shares Keystone K1 value \$310.80; 21 shares Keystone B4 value \$202.02. These added to our others, make an increase of \$1,495.13.

Our portfolio now consists of:

1828 Shares	Puritan Fund	Market Value	\$21,515.56
1250 Shares	Keystone K-1	Market Value	10,500.00
784 Shares	Keystone B-4	Market Value	7,542.08
$8\frac{1}{4}$ Shares	Broad Street	Market Value	240.80
	Funds in various banks		9,856.40
Total Assets			\$49,654.78

It has now been ten years since the trustees made some investments in approved stock rather than keeping all funds in savings banks, and this may be an opportune time to review our progress. In 1960 our funds were drawing 3% interest. Interest rates have gradually increased but none pay over 5%. From our income we have been able to add at least as much as bank interest and most years more, one year 10% and $5\frac{1}{2}\%$ this year, while also building up our assets. In 1960 the total of our funds was \$18,701.77, and our assets are now \$49,654.78. Of this, \$16,529.27 represents new trust funds established. The remainder is from capital gains and dividends from stocks and money in banks.

This past summer several lots and graves were regraded, reseeded, fertilized and stones reset.

Respectfully submitted,

RALPH E. BAILEY, Trustee
HAROLD MURDOUGH, Trustee
ASA P. COLBY, Treasurer

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Rumney qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 7th day of March 1970, at 5:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years. To choose one member for one year.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent in the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the board to certify to the selectmen the balance between the estimated state foundation aid fund together with other income; the school revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to establish a capital reserve fund in accordance with RSA 35:1 and raise and appropriate five thousand dollars (\$5,000) for this purpose.
10. To see if the district will vote to accept the provisions of RSA 197:1-a and elect district officers at the annual town meeting effective in 1971.
11. To transact any other business that may legally come before this meeting.

Given under our hands at said Rumney this 12th day of February, 1970.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The Russell School opened in September with two new members on the teaching staff. Mr. Robert McCarthy was employed as Principal when Glenn Dore resigned and Mrs. LeVoy was employed to replace Susan Dalziel. We were fortunate in securing replacements that have turned out so well. The school seems to be going along well generally, but like many other places we are once more beginning to feel the pressure of growth. If our school population continues to expand as census figures seem to indicate it will, it is time now to begin thinking of possible solutions. It seems as if it would be wise to appoint a committee to make an in-depth study of your educational system and be prepared to make recommendations at an early School District meeting.

Some of you have heard that the State Board of Education has adopted a set of minimum standards for elementary schools. These include such recommendations as kindergarten, one grade per teacher, a school library and auxiliary services such as music, art, guidance and physical education. These cannot all be done by one district alone, but could become possible on a shared basis with other districts.

The school is well equipped with books and supplies. There is some question throughout the Union whether or not we should consider another reading system and the mathematics area ought to be looked over. During next year we expect to make a full curriculum evaluation in all the elementary schools so if changes or revisions are necessary they can be done in an orderly manner.

Russell School again this year participated in the state-wide testing program for grades 2, 4, 6 and 8. They were given the complete Stanford Achievement Battery and the Otis-Lennon Test of Mental Maturity. The State results that are being tabulated by computer have begun to return. The School Board will be briefed on outcomes before school is over.

The AREA High School is progressing according to schedule. Unless something unforeseen happens, there should be no question about it being ready for occupancy next September. The roof has been completed and many of the interior walls are up. From all indications the building will be one of the best for its size in the state.

Our lunch program is as popular as ever. If prices continue to rise and government food subsidies decrease, it may be necessary to raise the price of lunch to children in the not too distant future.

This has been a busy year. Most of our problems have been of a minor nature and education generally has proceeded smoothly. The decision by Plymouth State College to place student teachers with our more experienced teachers is of mutual benefit. While the students are doing their practice teaching they can be of benefit to the teacher involved and we have a chance to observe possible full-time personnel for the system.

Please do not hesitate to call the school or my office if you have questions about the school or your child.

Respectfully submitted,

M. WAYNE BOWIE

Superintendent

EXPLANATION OF SUPERINTENDENT'S SALARY

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One - half pro-rated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$11,500, which was received by the superintendent of schools of Supervisory Union No. 48 during 1968 and 1969 was made up as follows: \$4,000.00 paid by the State of New Hampshire and \$7,500.00 pro-rated among the several school districts. Allowance of \$1,400.00 for travel within the union was also pro-rated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Percentage	Salary	Travel

REPORT OF SCHOOL NURSE

January 1969—January 1970

The Nurse visited the school during the school year.

The children were inspected for signs of illness, skin infections, scalp and hair infections and cleanliness.

A check was made to see if each one had been vaccinated for small pox, which is a compulsory State Law.

First Aid supplies were bought by the nurse and First Aid supplies kept up in First Aid closet.

The Nurse gave First Aid Treatment when in the school.

The children's teeth were inspected and Dental Clinics were held in Dr. Gambach's office in Woodsville. The children were transported to the Clinics.

The State Dental Hygienist visited the school and gave each grade an interesting talk and demonstrated good Dental Care; also showed films on Dental Hygiene.

Immunization Clinics were held in Warren Medical Center. Those in need of immunization were taken to the Clinic by the School Nurse.

Each child was weighed and measured and a Health Record kept on each.

Screening tests were done on each for vision and hearing. Notices were sent home on all that failed the test advising parents to see their family doctor.

All first grade children were given a Tine Tuberculosis Test. The State T. B. Association only tests first grade children at the present time.

German measles vaccinations were given to first grade children by Dr. Kirk-Hurme.

A Hearing Test adapted to first graders was given by The State Dept. of Health and Welfare.

Home visits were made when there was a need for information on Clinics, Orthopedic Clinics, T. B. Clinics, Sight Conservation, Hearing Clinics, Guidance and Mental Health Clinics. Also for personal problems of the child.

The Nurse attended meetings with Psychologists, Welfare Workers and a series of lectures on "The Child Under Stress in the Classroom", at Laconia Jr. High School—4-7 p. m. for 10 lectures.

A Pre-school Registration was held two mornings in May.
